SUMMARY

As a current second-year BCA student with a deep interest in coding and a solid understanding of Java development and the MERN Stack, He is excited to embark on a fulfilling career as a Java Developer and MERN Stack Developer. His academic experiences, complemented by hands-on projects, have provided me with a robust foundation in Java as well as MERN concepts, making me well-prepared for the challenges of the industry.

EXPERIENCE

Software Trainee Madhya Pradesh Industrial Foundation , Indore

2023 - Present

- Learned Core Java to build a strong foundation in programming and gained proficiency in fundamental Java concepts for software development.
- Implemented Java technologies, including JDBC, to establish a robust connection with the database
- Utilized HTML, CSS, and Bootstrap to make websites look good and work well on different devices.
- Used JavaScript to improve website interactions and features, ensuring a smooth user experience while keeping up with the latest development trends.
- Utilized the MERN stack for building modern web apps, integrating MongoDB, Express.js, React, and Node.js to ensure efficient data management, dynamic UIs, and seamless server-side execution.

TECHNICAL SKILLS

- Front End (Html , Css , React , Bootstrap)
- Back End (Java , Javascript , Node , Express)
- Database(Mysql , MongoDB)
- Designing

SOFT SKILLS

- Problem-Solving
- Collaboration
- Communication
- Quick Learner

CERTIFICATE

- Introduction To Java
Sololearn • 2023
- Java Programming
Great Learning Academy • 2024

EDUCATION

Bachelor Of Computer Application

- Govt. Nirbhay Singh Patel College , Indore
- Pursuing (2021)
(Affiliated to DAVV Indore)

Higher Secondary Certificate Examination

- Govt . Bal Vinay Mandir H.S Excellence School indore
- 2021 • 89.2% • Science-Maths Stream
(Affiliated to MPBSE Bhopal)

Higher School Examination

- Shri Rajaram Senani High School , Indore
- 2019 • 89.4%
(Affiliated to MPBSE Bhopal)

PROJECTS

Swastik Bank Mangement Project

In this project we Created a flexible banking system that allows users to easily check account balances, download statements, authorize payments, and transfer money between accounts for improved financial management

Technology : J2EE

The Great Ayurveda

Ayurveda provides personalized well-being solutions through natural remedies like home treatments and yoga, alongside accessible herbal supplements. Our project leverages MERN technology for seamless development.
